Simultaneous Issue Rate				
Simultaneous Issue Rate of \$100.00, unless the loan policy is greater than the owner's policy, in which case the difference shall be calculated by multiplying the excess per thousand dollar amount by the applicable per thousand dollar rate.				
This sum shall then be added to the simultaneous issue rate of \$100.00.				
Reissue Rate Credit				
A reissue rate credit of 30% may be given on evidence of a prior policy dated within 10 years.
